Creative contest for poster aiming to raise awareness about cervical cancer and early detection – Applications to be submitted latest by 31st Marchth 2019

PLEASE [PROCEED TO REGISTER](#) FOR THE ISCCP 2019 FOR YOUR ENTRY TO BE ACCOMODATED.

Guidelines and Criteria

This year the ISCCP2019 is holding the **ISCCP2019 Poster Contest**. The goal of the contest is to raise awareness for cervical testing and inform people of the danger of cervical cancer and the importance of screening.

ISCCP contest winners will receive exciting prizes. They will participate in an awards ceremony of the ISCCP conference proceeding, during which the winning entry will be unveiled and awarded. In case found eligible, the award winning poster may also be reproduced and distributed by ISCCP nationally to promote cervical cancer awareness.

Should include a title on the front

Topic and title must be on the Submission Form

E-Poster to be created as computer graphics yielding computer **Images .jpg, .pdf files etc.**

Lettering and message should be large enough to reproduce well.

Copyrighted characters (such as Gardasil etc), product logos and trademarked or brand names cannot be used.

Judging Criteria:

Content accuracy

Visual Communication of topic

Reproducibility

Originality

Your e-poster, **MUST CLEARLY** deal with **CERVICAL CANCER** or **CERVICAL CANCER** awareness. Pictures of women, or pink trees, or simply expressing explicit content will not be allowed and will be removed.

The title of your work has to show this was meant for **CERVICAL Cancer**.

One in 100 women will get this terrible disease in their lifetime, and winning this contest simply says you care and your message was voted the best by your contemporaries. You may enter up to 3-e posters. Any poster not depicting these contest rules will be removed.

Please don't try and sneak works that are not about **CERVICAL Cancer** into the Contest, it creates a lot of work for me, weeding them out! And, it's not fair for those who's work fits the criteria!
