

Preventive Gynae Oncology & Beyond....

(Colposcopy Course cum Hands-on LEEP and Current Concepts
in Gynae Oncology)

Date: 10th & 11th September 2016

Venue: Auditorium, Sant Parmanand Hospital, Delhi

The Department of Obstetrics and Gynaecology, Sant Parmanand Hospital, Delhi in association with ISCCP & Oncology Committee of AOGD is organizing a CME on **"Preventive Gynae Oncology & Beyond ..."**. Preventive Oncology is an upcoming branch. The course is planned for general practitioner in women care, Gynaecologist & postgraduates with the aim to enhance the skill & knowledge in early detection of malignancies in women. This scientific deliberation covers the topics of preventive oncology with interactive sessions on gynaecological oncology. The highlights of CME is hands-on Colposcopy & LEEP workshop, which has been much appreciated in the past. You are cordially invited to become a part of this academic feast.
